LOCAL/STATE BOARD FACILITIES HEARING REPORT**

A Local/State public hearing was held at the Bowling Green Independent School District Joel C. Brown Administrative Office on September 28, 2006, at 6:30 p.m. (local time). The purpose of the public hearing was to propose a new District Facility Plan developed by the Bowling Green Independent Local Planning Committee. The Local Planning Committee (LPC) voted **13-0** in favor of the proposed new plan on August 8, 2006 and the Board voted **5-0** on August 14, 2006 to approve the new plan.

There was one individual in attendance. Mr. Jon Lawson, Director of Pupil Personnel, served as the district-appointed hearing officer. Mr. Mike Bishop, LPC member, was the only other individual present.

COMMENTS

Mr. Lawson called the public hearing to order at 6:30 p.m. (local time). The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. It was also noted that all considerations will be made available to the Kentucky Board of Education via the hearing officer's report. With the only other person in attendance being a member of the LPC, the hearing officer waived the reading of the proposed new District Facility Plan. The hearing officer remained until 7:30 p.m. at which time he adjourned the hearing.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Bowling Green Independent Local Planning Committee and adopted by the Bowling Green Independent Board of Education be approved as the District Facility Plan for the Bowling Green Independent School District.
